Re: COVID-19 Telehealth Program: Southwest Mississippi Mental Health Complex

Dear Chairman Pai:

I am writing in support of the application submitted by the Southwest Mississippi Mental Health Complex (SWMMHC) in McComb, Mississippi, to be selected for the Covid-19 Telehealth Program grant.

SWMMHC, a nonprofit public service agency, provides services through 15 sites in rural southwest Mississippi. Since its inception in 1974, the Complex has grown considerably to serve a broader number of residents. It is worth noting that SWMMHC is not a federal or state agency, and relies on state legislative appropriations to support its services.

As you proceed with the COVID-19 Telehealth Program grant process, I ask that you give the Southwest Mississippi Mental Health Complex application, and those of all qualified Mississippi applicants, full and fair consideration, consistent with all applicable rules and regulations.

Sincerely,

CINDY HYDE-SMITH
United States Senator
