Re: NANC 833 Auction Report

Dear Chief Monteith,

Transmitted with this cover letter is a report evaluating the December 17, 2019 auction of unassigned numbers in the 833 toll free area code (833 Auction). The report was developed by the North American Numbering Council's (NANC) Toll Free Assignment Modernization (TFAM) Working Group and approved by the NANC today.

Pursuant to your request, the report examines the 833 Auction from the perspective of auction bidders and potential bidders in future auctions.¹ The report includes recommendations for improvements to bidders' experiences in applying to participate in the 833 Auction and in bidding in the auction.

I would like to acknowledge the members of the TFAM Working Group responsible for creating the report and thank them for their excellent work on this project.

Please let me know if you have any questions.

Respectfully submitted,

Jennifer K. McKee
Chair, North American Numbering Council
