## **Fiscal Year (FY) 2020 ITSP AND CMRS REGULATORY FEE DATA ARE NOW AVAILABLE FOR VIEWING IN FEE FILER**

FY 2020 Interstate Telecommunications Service Providers (ITSP) and Commercial Mobile Radio Services (CMRS) data are now available for viewing on the Federal Communications Commission's electronic filing and payment system (Fee Filer). To view the data, log into Fee Filer with your FCC Registration Number (FRN) and password and follow the steps below.

For ITSP providers, log into Fee Filer at [www.fcc.gov/feefiler](http://www.fcc.gov/feefiler) with the appropriate FRN and password associated with your ITSP filings. Click on the link "Preview 2020 ITSP revenues (FY 2020 fees)" to access FCC Form 159-W ITSP Report (Preview) worksheet, which identifies the revenue information based on your filing of FCC Form 499-A with USAC on April 1, 2020. Line 14 of the worksheet identifies the subject revenues that will be the basis for the payment of your FY 2020 regulatory fees. This worksheet is "read only" and cannot be revised. This revenue amount will be used to determine the FY 2020 regulatory fees, after release of the FY 2020 Regulatory Fee Report and Order. If you disagree with this revenue amount, you will need to file a revised Form 499-A with USAC. If you agree with the revenue amount, there is nothing for you to do. When Fee Filer opens to accept FY 2020 regulatory fee payments, the Form 159-W ITSP worksheet will reflect the FY 2020 regulatory fee amount due.

For CMRS providers, log into Fee Filer at [www.fcc.gov/feefiler](http://www.fcc.gov/feefiler) with the appropriate FRN and password. Click on the link "View CMRS Subscriber Count" to access your subscriber, porting, and OCN information. When Fee Filer opens, the "Net NRUF Telephone Number" identified will be listed in the quantity field in Fee Filer. If you wish to revise the subscriber count, follow the prompts accordingly to make changes. After a revision is made, the Commission will approve or disapprove your requested revision. Note that CMRS Assessment letters will no longer be mailed to your company address. You have until August 28, 2020 to make revisions to your subscriber count so that the Commission has sufficient time to place the correct subscriber number in Fee Filer. After August 28, 2020, requests for revisions will be handled on a case-by-case basis, and should be directed to Roland Helvajian at (202) 418-0444 or [Roland.Helvajian@fcc.gov](mailto:Roland.Helvajian@fcc.gov).
