

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON

OFFICE OF THE
ACTING CHAIRWOMAN

March 9, 2021

The Honorable Roger F. Wicker
Ranking Member
Committee on Commerce, Science, and Transportation
512 Dirksen Senate Office Building
Washington, DC 20510

Dear Senator Wicker:

Thank you for your letter regarding the impact of the coronavirus pandemic on our economy as well as the day-to-day life of people across the country. As you point out, it has brought new attention to the need to close the digital divide. In response to your request for information from the Federal Communications Commission, enclosed please find reports containing detailed financial data about the status of the Universal Service Fund programs from the Universal Service Administrative Company, the agency's latest Federal-State Joint Board on Universal Service Monitoring Report, as well as a list of high-cost fund obligations not otherwise detailed in these reports. If helpful, I would be happy to direct FCC staff to meet with your office to discuss these matters.

Sincerely,
