Carr Visits Nebraska with Senator Fischer and Governor Ricketts
Focus on Rural Broadband and Telehealth

LINCOLN, NE, May 5, 2021—Today, Commissioner Carr is visiting Nebraska for events with Senator Deb Fischer and Governor Pete Ricketts. The events will focus on the FCC's efforts to accelerate rural broadband builds and increase telehealth access.

Carr will first join Senator Fischer at an event with members of the Nebraska Legislature and Nebraska Public Service Commission to discuss the FCC's latest efforts to close the digital divide and increase telehealth opportunities. The visit will also focus on telecommunications policy developments in the state of Nebraska. Carr will then join Governor Ricketts to discuss opportunities to promote the build out of high-speed Internet services across the state.
