Ms. Jessica Rosenworcel
Acting Chairwoman
Federal Communication Commission
445 12th Street, SW
Washington, D.C. 20554

Dear Acting Chairwoman Rosenworcel:

I am pleased to write in support of the application submitted by the LaSante Health Center to the Federal Communications Commission (FCC) for reimbursement through the COVID-19 Telehealth Program.

With funding, LaSante Health will offer greater access to high quality primary, episodic and acute care to patients in Brooklyn by using telehealth systems, diagnostic kits and carts and remote monitoring to supplement, coordinate and extend care beyond their physical clinic. Funding will also enable them to initiate and maintain continuity of care with previously “undoctored” people, and to start managing the conditions that make them more susceptible and vulnerable to infections like COVID and the flu.

I applaud the Lasante Health Center for their foresight, and sincerely hope the application meets with your approval.

Thank you for your consideration. Please do not hesitate to contact me or my Grants Coordinator in my Washington, D.C. office at 202-224-6542.

Sincerely,

Charles E. Schumer
United States Senator
