Upon consideration of the motions for leave to intervene; the emergency motion for a stay, the responses thereto, and the reply; and the motions for leave to file responses to the motion for a stay and the lodged responses, it is

parties are strongly urged to submit a joint proposal and are reminded that the court looks with extreme disfavor on repetitious submissions and will, where appropriate, require a joint brief of aligned parties with total words not to exceed the standard allotment for a single brief. Whether the parties are aligned or have disparate interests, they must provide *detailed* justifications for any request to file separate briefs or to exceed in the aggregate the standard word allotment. Requests to exceed the standard word allotment must specify the word allotment necessary for each issue.
