The Honorable Claudia Tenney

Dear Congresswoman Tenney:

Thank you for your letter in support of Carolyn Price, Deputy Town Supervisor for Windsor, New York, for an appointment to serve on the Precision Agriculture Connectivity Task Force. As you know, the Task Force is a federal advisory committee that provides advice and recommendations to the Commission on accelerating the deployment of broadband Internet access service on unserved agriculture land to promote precision agriculture. Please be assured that we will carefully consider your recommendation and Ms. Price's strong credentials as the Commission reviews the nominations for the Task Force and its working groups.

Thank you for taking the time to share your recommendation. Please let me know if I can be of any further assistance.

Sincerely,
