**ERRATUM**

**Released: April 1, 2022**

By the Chief, Audio Division, Media Bureau

On March 24, 2022, the Media Bureau released a Memorandum Opinion and Order (*Order*), DA 22-314, in the above-captioned proceeding. The Media Bureau inadvertently did not consider a recent technical amendment, filed by the proposed tentative selectee in MX Group 62. The technical amendment affects the result of the Bureau's fair distribution of service analysis.<sup>1</sup> This Erratum amends the *Order* as indicated below:

1. In the caption, on the first page, replace “**Analysis of 19 Groups**” with “**Analysis of 18 Groups**” and delete the number “62” from the MX Group Numbers.
2. In the first line of paragraph 1, on the first page, replace “19 Groups” with “18 Groups.”
3. Delete paragraphs 15 and 38.
