

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON

OFFICE OF THE
CHAIRWOMAN

March 25, 2022

The Honorable Kelly Armstrong
U.S. House of Representatives
1740 Longworth House Office Building
Washington, DC 20515

Dear Representative Armstrong:

Thank you for your letter regarding the pending application involving the transfer of broadcast station licenses from Red River Broadcast Co., LLC and KQDS-TV Corp. to Forum Communications Company. While the Federal Communications Commission has a long-standing practice of not commenting on transactions before it, I can state that the agency is committed under all circumstances to providing every transaction full and fair consideration.

It is important to note that the NTCA—The Rural Broadband Association filed a Petition to Deny the application and that the American Television Alliance filed an informal objection to the application. These filings make the underlying application a restricted proceeding under the Commission's ex parte rules. To comply with our rules, I have asked the Media Bureau staff to serve your letter on all parties to the proceeding and place it into the record.

I hope this is helpful. Please let me know if you have any further questions.

Sincerely,
