ITC-T/C-20220317-00038 E Fusion Connect, Inc.

Transfer of Control

Current Licensee: Fusion Connect, Inc.

FROM: Fusion Connect, Inc.

TO: NH Credit Partners III Holdings L.P.

An application has been filed for the transfer of control of Fusion Connect, Inc. (Fusion), a Delaware corporation that holds an international section 214 authorization (ITC-214-19971001-00592), to NH Credit Partners III Holdings L.P. (NH III). Fusion is currently a privately held company in which no entity has a controlling interest. North Haven Credit Partners II L.P. (North Haven II) and North Haven Senior Loan Fund L.P. (NH Senior Loan Fund), two funds associated with NH III, currently hold approximately 11.04% of Fusion's voting stock. Through this transaction North Haven II, NH Senior Loan Fund and NH III (collectively, the North Haven Entities) will acquire a de jure controlling interest in Fusion. Each of the North Haven Entities is a Delaware limited partnership.

The proposed Transaction consists of (i) the North Haven Entities' acquisition, through the Option Agreements, of existing Common Stock from certain other Stockholders of Fusion, (ii) the activation of additional voting rights with respect to the Series A Preferred Stock, allowing holders of Series A Preferred Stock to vote on all matters on which holders of Common Stock may vote, (iii) the conversion of the Series B Preferred Stock into Common Stock, and (iv) the exercise of two of the three tranches of Warrants resulting in the issuance of additional shares of Common Stock to the Warrant holders. As a result, the North Haven Entities will own a controlling interest in Fusion. NH III will have a direct 33.43% interest in Fusion and an indirect 13.09% as the sole member of 7 funds that will each hold a 1.87% direct interest in Fusion. North Haven II will have a 31.20% direct interest in Fusion. NH Senior Loan Fund will have a 3.14% direct interest in Fusion. Four other North Haven funds will have a combined 1.77% direct interest in Fusion. The shares of Fusion owned or controlled by the North Haven Entities and associated funds will be under the common investment management of MS Capital Partners Adviser Inc. (MS Capital Partners Adviser). As a result MS Capital Partners Adviser will indirectly manage approximately 82.63% of the Fusion voting equity interests and therefore will have a de jure controlling interest in Fusion.

MS Capital Partners Adviser is a wholly owned direct subsidiary of MS Holdings Incorporated (MS Holdings), both Delaware corporations. MS Holdings wholly owns and controls MS Credit Partners II GP Inc. and MS Credit Partners III GP Inc., which are the general partners of MS Credit Partners II GP L.P. and MS Credit Partners III GP L.P., respectively, which are the general partners of North Haven II and NH III. MS Holdings is a wholly owned direct subsidiary of Morgan Stanley, a Delaware corporation. Morgan Stanley is widely held and the only 10% or greater owner is Mitsubishi UFJ Financial Group, Inc. (MFUG), a Japanese entity that holds a 20.12% equity and voting interest in Morgan Stanley. No individual or entity holds a 10% or greater direct or indirect interest in MFUG.

Pursuant to Commission practice, this application for transfer of control of international section 214 authority and the associated domestic transfer application (WC Docket No. 22-128) are being referred to the relevant Executive Branch agencies for their views on any national security, law enforcement, foreign policy or trade policy concerns related to the foreign ownership of the Applicants.
