

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON

OFFICE OF THE
CHAIRWOMAN

May 4, 2022

The Honorable Lisa Murkowski
United States Senate
522 Hart Senate Office Building
Washington, DC 20510

Dear Senator Murkowski:

Thank you for your letter regarding the status of the license renewal and assignment of license applications pending for KSRM Inc. While the Federal Communications Commission has a long-standing practice of not commenting on transactions before it, I can state that the Commission is committed to providing every transaction full and fair consideration.

At present, the Media Bureau staff is actively reviewing the assignment application and filings concerning an informal objection that alleges KSRM Inc. has violated Commission rules regarding FM translator operation. I have asked the Media Bureau staff to place your letter into the record of the proceeding.

Additionally, the Commission accepted for filing KSRM Inc.'s license renewal applications for KSRM, KWHQ-FM, KKIS-FM, KSLD, KFSE, and KKNL-FM on October 4, 2021. The license renewal applications for FM translator stations K239AV and K232EH were accepted for filing on February 11, 2022. These applications also are under review by the Media Bureau staff. The stations' current authorization to operate is valid while the renewal applications are pending.

I hope this is helpful. Please let me know if you have any further questions.

Sincerely,
