June 3, 2022

The Honorable Chair Jessica Rosenworcel
U.S. Federal Communications Commission
45 L Street, N.E.
Washington, D.C. 20554

Dear Chair Rosenworcel:

Congratulations on your recent confirmation to serve as Chair of the Federal Communications Commission (FCC). It has been a pleasure to work with you since you joined the FCC in 2012. The FCC has confronted incredibly pressing issues in recent years and continues to ensure a fair and connected telecommunications ecosystem.

I write today to request assistance on behalf of Cameron County, Texas. On April 30th, 2021, Cameron County Texas, licensee of KCCP-LP, 102.3, South Padre Island, TX, filed an application File No. 0000144275 with the Commission for renewal of its license. Over the duration of its service, the equipment experienced periodic failures. According to representatives of the licensee, these off-air periods were noted in the application for renewal. A new transmitter and antenna were installed per licenses specifications on May 27, 2021 and the station has been in continuous operation since then.

However, as of February 11, 2022, the application status was still listed as Pending. For the station to continue providing public and safety information, the FCC must adjudicate the pending application. This request is especially urgent as the 2022 hurricane season began this week. I respectfully request an update from the Commission as to whether additional documentation is needed to process the application or expedite the delayed processing.

Thank you for your consideration of this request. Should you have further questions, please do not hesitate to contact my office.

Sincerely,

Vicente Gonzalez
Member of Congress
