Dear Senator Rubio:

Thank you for your letter regarding press reports of the potential sale of certain TelevisaUnivision radio properties to the Latino Media Network. At this point, the parties reported to be involved in this transaction have not yet filed any assignment of license applications with the Federal Communications Commission. When and if that changes, please be assured that the Commission staff will properly review any applications pursuant to our rules and statutory authority. This process includes placing applications on public notice after they are accepted for filing, as well as a thorough review of the record to determine if any proposed assignment is in the public interest pursuant to Section 310(d) of the Communications Act.

I hope this is helpful. Please let me know if you have any further questions.

Sincerely,
