

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON

OFFICE OF THE
CHAIRWOMAN

July 1, 2022

The Honorable Darren Soto
U.S. House of Representatives
2353 Rayburn House Office Building
Washington, DC 20515

Dear Representative Soto:

Thank you for your letter regarding the dismissal of the license assignment application for WSUA(AM). As you note, the current licensee, WSUA Broadcasting, requested withdrawal of the underlying application on April 11, 2022. Pursuant to long-standing Federal Communications Commission practice, the Media Bureau dismissed the application and the Petition to Deny without further action. This means there are no pending investigations or inquiries regarding this transaction, as it is no longer an active matter pending before the Commission. To the extent that in the future the Commission receives any related complaints or petitions resulting in a new active matter before us, we will, of course, review such pleadings to determine if a new investigation is warranted.

I hope this is helpful. Please let me know if you have any further questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Jessica Rosenworcel".
