**Before the  
Federal Communications Commission  
Washington, D.C. 20554**

In the Matter of )  
 )  
Empowering Broadband Consumers Through ) CG Docket No. 22-2  
Transparency )

**ERRATUM**

**Released: December 1, 2022**

By the Chief, Consumer and Governmental Affairs Bureau:

On November 17, 2022, the Commission released a Report and Order and Further Notice of Proposed Rulemaking (*Report and Order and Further Notice*), FCC 22-86, in the above-captioned proceeding. This Erratum corrects paragraph 15 of the *Report and Order and Further Notice* as indicated below:

In the broadband consumer label template on page 6, in the “Typical Latency” row, replace “Ms” with “ms.”
