List includes providers that historically were non-responsive, but may no longer show up in tracebacks or now participate. List only includes providers that did not respond to 3 or more tracebacks. The list includes tracebacks of robocalls, as defined in the TRACED Act. It may exclude tracebacks of other illegal calls conducted by the ITG.

Provider Name	Country	Participation Count	No Response / Refuse to Provide Count	Last Participation	Last No Response	No Response / Refuse to Provide Reason
Lexico Telecom LTD	Latvia	13	189	2022-10	2022-08	Provider did not respond within allotted time period
Fugle Telecom LLC	United States		116		2022-07	Provider did not respond within allotted time period
Telesero / Fiducia	United States	12	114	2021-03	2021-03	Provider did not respond within allotted time period
Sumco	Panama		100		2021-08	Provider did not respond within allotted time period
Laxmi Networks / LMC Networks Limited	Hong Kong	16	79	2022-10	2022-09	Provider did not respond within allotted time period
Geist Telecom LLC	United States		76		2022-03	Provider did not respond within allotted time period
Zathura It Solutions OPC Private Limited	India		54		2022-07	Provider did not respond within allotted time period
Knobloch Communications	United States		51		2022-10	Provider did not respond within allotted time period
Enterprise Telecom	Canada		43		2020-10	Provider did not respond within allotted time period
Evernex SMC PVT LTD	Pakistan	18	40	2022-10	2022-10	Provider Response: We do apologize for the mess but we have completely removed the traffic from our network and hopefully would not see these issues in future
PZ / Illum Telecommunication	United States	151	39	2022-01	2022-10	Provider did not respond within allotted time period

TELUS Communications Inc. / Telus Group Pvt Ltd	Canada	3	6	2022-04	2021-01	Provider Response: we only see 1 call from 1-212-048-3928 for all of Aug to any b-numbers. call came from another telecom company who is not a traceback member and is not wishing to participate. i only see 3 calls from any numbers starting with 1-212-048* to any USA numbers. Telus is not an important link in the chain for this scam. We do see over 3000 calls to Canada from similar a-numbers starting with 1-212-048* including coming from some US located carriers, therefore, we are likely receiving more from this caller than we are sending.

Integral Worldwide Limited	United Kingdom	12	3	2022-09	2021-01	Provider Response: We got this call from an upstream voice service client we have a contract and NDA with for Multiple destinations including USA. Our contract does have the clause that the customer need to comply with USA regulations and based on the breach of the same, we would be terminating USA business with this client and block them for this destination. We can not thought breach our NDA with the client and regret to inform that we do not have the option to share the customer details at this time. We apologize for the issue caused and we are always vigilant to avoid any issues causing regulation concerns. We do have the clause for USA and UK regulations on our customer contracts. Attaching the same for your review

Horizon Solutions	Pakistan		3	2020-12	Provider Response: "Goninja dailer the guy who provides us that dailer is from other city I guess and we got in touch through Facebook messenger .so we are unavailable to provide you such details hope you understand." - Horizon Solutions does not have enough information to share about their customer.
-------------------	----------	--	---	---------	---

List includes providers that historically were non-responsive, but may no longer show up in tracebacks or now participate. List only includes providers that did not respond to 3 or more tracebacks. The list includes tracebacks of robocalls, as defined in the TRACED Act. It may exclude tracebacks of other illegal calls conducted by the ITG.

Provider Name	Country	Participation Count	No Response / Refuse to Provide Count	Last Participation	Last No Response	No Response / Refuse to Provide Reason
Lexico Telecom LTD	Latvia	12	112	2022-10	2022-08	Provider did not respond within allotted time period
Knobloch Communications	United States		51		2022-10	Provider did not respond within allotted time period
Zathura It Solutions OPC Private Limited	India		38		2022-07	Provider did not respond within allotted time period
Laxmi Networks / LMC Networks Limited	Hong Kong	16	32	2022-10	2022-09	Provider did not respond within allotted time period

EXATEL S.A.	Poland		29		2022-09	Provider did not respond within allotted time period
						Provider Response: TDG traceback actions depend on the following restrictions: 1. Traceback demands are generally requested by the national regulatory authorities like Bundesnetzagentur (BNetzA) in Germany or national police, 2. TDG interconnection contracts are limited by NDA and/or compliance rules potentially avoiding a complete traceback information.
