

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON

OFFICE OF THE
CHAIRWOMAN

December 22, 2022

The Honorable Josh Gottheimer
U.S. House of Representatives
203 Cannon House Office Building
Washington, DC 20515

Dear Representative Gottheimer:

Thank you for your letter regarding the status of the proceeding at the Federal Communications Commission that proposes to expand the Telecommunications Relay Service contribution base for Video Relay Service and IP Relay to include both interstate and intrastate end-user revenues from providers of telecommunications and VoIP services. The Commission unanimously adopted a Report and Order on June 26, 2022 to make this change in our rules. As a result, telecommunications carriers and VoIP service providers will be required to contribute a percentage of intrastate as well as interstate end-user revenues to fund Video Relay Service and IP Relay beginning July 1, 2023.

I hope this is helpful. Please let me know if you have any further questions.

Sincerely,
