**Report No. SAT-01760**

**Friday September 22, 2023**

## **Satellite Licensing Division and Satellite Programs and Policy Division Information Space Station Applications Accepted for Filing**

The applications listed below have been found, upon initial review, to be acceptable for filing. The Commission reserves the right to return any of the applications if, upon further examination, it is determined that the application is not in conformance with the Commission's rules or its policies. Consideration of each satellite application in this Public Notice may depend on the Commission's action on another satellite application earlier in the queue. Petitions, oppositions, and other pleadings filed in response to this notice should conform to Section 25.154 of the Commission's rules, unless otherwise noted. 47 C.F.R. § 25.154.

Launch and Operating Authority

SN Space Systems Limited seeks to amend its previously-filed request for U.S. market access for a fixed-satellite service, non-geostationary orbit satellite system. SN Space Systems now seeks a U.S. license to deploy and operate the satellite system. This amendment results in a file number change from ICFS File No. SAT-PDR-20211104-00147 to the above-captioned file number.
