Implementation Date: On or after January 13, 2024

Description of Planned Network Change(s):

North State Telephone, LLC dba Lumos, (“Lumos”) plans to retire the existing copper facilities in Greensboro, High Point and Jamestown areas of North Carolina, comprised of the locations listed in the impacted address attachment. Lumos has existing fiber-to-the-home facilities for all of the listed locations. At the completion of the transition all customers will be migrated from copper to fiber facilities, and the copper will be retired.

Description of reasonably foreseeable impact(s) of the planned change(s):

After the retirement of copper facilities, copper facilities will no longer be available to serve customers at the attached locations and will not be maintained. However, all services currently provided over copper facilities will continue to be provisioned over fiber facilities.
