**COMMISSIONER GOMEZ STATEMENT ON
RELEASE OF NATIONAL SPECTRUM STRATEGY**

WASHINGTON, November 13, 2023 — Federal Communications Commission
Commissioner Anna M. Gomez issued the following statement today on the release of the
National Spectrum Strategy:

“I want to congratulate the talented staff of the National Telecommunications and Information Administration at the Department of Commerce for their important work in crafting the National Spectrum Strategy. Our Nation’s blueprint is critical for continuing to create more access to spectrum, advance innovation in spectrum management and use, and maintain our global leadership in wireless innovation, particularly as we go into the 2023 World Radiocommunication Conference in Dubai. We have much work ahead of us, and I look forward to the opportunity to bring my expertise in domestic and international spectrum policy to our collective efforts.”
