Report No. 325-00248

Wednesday February 14, 2024

Permit To Deliver Programs To Foreign Broadcast Stations

re: Actions Taken

The Commission, by its Office of International Affairs, took the following actions pursuant to delegated authority. The effective dates of the actions are the dates specified.

325-NEW-20230830-00003	P	Entravision Communications Corporation	
New Application			
Grant of Authority			Date Effective: 02/14/2024

Granted on February 14, 2024, subject to conditions, application for 325 (c) permit to deliver entertainment, news, sports and public affairs programming to XHDTV-TV, Channel 21, Tecate Cerro Bola, Baja Mexico.

Grant of this permit is conditioned upon the Mexican station operation in full compliance with applicable treaties and related provisions concerning interference to U.S. broadcast stations.

This authorization is predicated on the use of a foreign station assignment, which must abide by the terms of the 1998 US-Mexico DTV Memorandum of Understanding. Hence, this program authorization applies only to the specific foreign station facilities which are currently on file with the Commission as having been officially coordinated by the Government of Mexico and subsequently approved by the Commission for operation. If the transmitter coordinates or technical operating parameters of the foreign station are altered subsequent to this authorization or are found to be different from those currently on file and approved by the Commission, this program authorization may be subject to immediate suspension without right to hearing.

325-NEW-20230830-00004	P	Entravision Communications Corporation	
New Application			
Grant of Authority			Date Effective: 02/14/2024

Granted on February 14, 2024, subject to conditions, application for 325 (c) permit to deliver entertainment, news, sports and public affairs programming to XHAS-TV, Channel 34, Baja California Norte, MX.

Grant of this permit is conditioned upon the Mexican station operation in full compliance with applicable treaties and related provisions concerning interference to U.S. broadcast stations.

This authorization is predicated on the use of a foreign station assignment, which must abide by the terms of the 1998 US-Mexico DTV Memorandum of Understanding. Hence, this program authorization applies only to the specific foreign station facilities which are currently on file with the Commission as having been officially coordinated by the Government of Mexico and subsequently approved by the Commission for operation. If the transmitter coordinates or technical operating parameters of the foreign station are altered subsequent to this authorization or are found to be different from those currently on file and approved by the Commission, this program authorization may be subject to immediate suspension without right to hearing.
