## **Streamlined International Applications Accepted For Filing**

### **Section 214 Applications (47 CFR §§ 63.18, 63.24); Section 310(b) Petitions (47 CFR § 1.5000)**

The international section 214 applications listed below have been found, upon initial review, to be acceptable for filing and subject to the streamlined processing procedures set forth in section 63.12 of the Commission's rules. 47 CFR § 63.12. These applications are for authority under section 214 of the Communications Act, to: (a) become a facilities-based international common carrier and/or a resale-based international common carrier, and/or (b) transfer control of an authorized carrier or to assign a carrier's existing authorization. 47 U.S.C. § 214(a).

Pursuant to section 63.12 of the rules, these applications will be granted 14 days after the date of this public notice (see 47 CFR § 1.4 regarding computation of time), and the applicant may commence operations on the 15th day, unless the Commission has informed the applicant in writing, within 14 days after the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing. 47 CFR § 63.12. Pursuant to section 1.1910(b)(2) of the rules, action will be withheld on any application by any entity found to be delinquent in its debts to the Commission. 47 CFR § 1.190(b)(2). Applicants should login to the CORES Payment website at <https://apps.fcc.gov/cores/userLogin.do> to determine if they are delinquent in a debt to the Commission and for information on how to pay the debt.

Communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 CFR § 1.1206.

An application can be removed from streamlined processing only in the sound discretion of Commission staff. The filing of comments or a petition to deny will not necessarily result in an application being deemed ineligible for streamlined processing.
