**Commissioner Olivia Trusty on the Confirmation of Arielle Roth to Lead the
National Telecommunications and Information Administration**

WASHINGTON, July 23, 2025—

FCC Commissioner Trusty issued the following statement:

“I congratulate Arielle Roth on her confirmation as Assistant Secretary of Commerce for Communications and Information and to lead the National Telecommunications and Information Administration. Arielle brings deep policy experience, a steady hand, and a principled approach to this critical role.

At a time when federal leadership on spectrum policy, broadband deployment, and emerging technologies matters more than ever, I’m confident that Arielle will bring clarity and collaboration to the interagency process and be a strong steward of the public interest. I look forward to working with her and her team at NTIA as we advance shared goals that benefit all Americans.”
