**NOTICE OF VIOLATION**

**Released: February 23, 2026**

By the Regional Director, Region One, Enforcement Bureau:

1. This is a Notice of Violation (Notice) issued pursuant to section 1.89 of the Commission’s rules<sup>1</sup> to Jacom, Inc. (Jacom), owner of antenna structure number 1236309 (Antenna Structure) in Alma, Michigan. Pursuant to section 1.89(a) of the Commission’s rules, issuance of this Notice does not preclude the Enforcement Bureau from further action if warranted, including issuing a Notice of Apparent Liability for Forfeiture for the violations noted herein<sup>2</sup>.

2. On November 20, 2025, an agent of the Enforcement Bureau’s Chicago Office inspected the Antenna Structure located at 5310 N. State Road, Alma, Michigan 48801, at the coordinates 43°22’08”N, 84°36’19”W, and observed the following violations:

- a. 47 CFR § 17.23: “...[E]ach antenna structure must be painted and lighted in accordance with any painting and lighting requirements prescribed on the antenna structure's registration, or in accordance with any other specifications provided by the Commission.” The FCC’s Antenna Structure Registration (ASR) database currently indicates that the Antenna Structure requires medium intensity white obstruction lighting during the nighttime that includes a top-level strobe and two mid-level strobes, in accordance with Chapters 4, 6, and 12 of Federal Aviation Administration (FAA) Advisory Circular 70/7460-1K.<sup>3</sup> At the time of the inspection, which was after sunset and before dawn, the agent observed that all the obstruction lighting was extinguished on the Antenna Structure except for a single, white light mounted at the mid-level that was extremely low intensity, was non-strobing, and was not compliant with FAA requirements.
- b. 47 CFR § 17.56: “Replacing or repairing of lights, automatic indicators or automatic control or alarm systems shall be accomplished as soon as practicable.” The obstruction lighting outage on the Antenna Structure has existed since at least February 5, 2025, when Jacom acknowledged the outage to the Agent and advised that repairs were underway. On February 11, 2025, the Agent was informed that Jacom was awaiting a

part to complete the repairs. On April 1, 2025, Jacom advised the Agent that a completely new lighting system was scheduled for installation within two weeks. In June, July, and August of 2025, Jacom continued to advise the Agent that repairs were proceeding. The Agent attempted to contact Jacom for a further update on September 22, 2025, but received no further response. The Antenna Structure remained unlit through at least November 20, 2025, the date of inspection.

3. Pursuant to section 403 of the Communications Act of 1934, as amended (Act), and section 1.89 of the Commission’s rules, we seek additional information concerning the violations and any remedial actions taken.<sup>4</sup> Therefore, Jacom, Inc. must submit a written statement concerning this matter within twenty (20) days of release of this Notice. The response (i) must fully explain each violation, including all relevant surrounding facts and circumstances, (ii) must contain a statement of the specific action(s) taken to correct each violation and preclude recurrence, and (iii) must include a time line for completion of any pending corrective action(s). The response must be complete in itself and must not be abbreviated by reference to other communications or answers to other notices.<sup>5</sup>

4. In accordance with section 1.16 of the Commission’s rules, we direct Jacom, Inc. to support its response to this Notice with an affidavit or declaration under penalty of perjury, signed and dated by an authorized officer of Jacom, Inc. with personal knowledge of the representations provided in Jacom, Inc’s response, verifying the truth and accuracy of the information therein, and confirming that all of the information requested by this Notice which is in the company’s possession, custody, control, or knowledge has been produced.<sup>6</sup> To knowingly and willfully make any false statement or conceal any material fact in reply to this Notice is punishable by fine or imprisonment under title 18 of the U.S. Code.<sup>7</sup>

5. All replies and documentation sent in response to this Notice should be marked with the File Number, specified above, and mailed to the following address:
