**ERRATUM**

**Released: April 27, 2026**

By the Chief, Wireline Competition Bureau:

On April 23, 2026, the Wireline Competition Bureau released an Order, DA 26-396, in the above captioned proceedings. This Erratum corrects footnote 14 in the original released document to read as follows:

“<sup>14</sup> After the end of the waiver period, the subscriber will have 30 days (beginning on June 12, 2026) to use their Lifeline-supported service. If the subscriber does not use their Lifeline-supported service during that 30-day timeframe, they will enter their 15-day cure period on July 12, 2026. The 15-day cure period will end on July 26, 2026. In the event of a future disaster, the Bureau will provide guidance on the restart date for the non-usage rules.”
