Counsel for CoxCom, LLC

Counsel for Oklahoma Gas & Electric Company

Dear Counsel:

On December 16, 2025, CoxCom, LLC (Cox) filed with this Commission a complaint against Oklahoma Gas & Electric Company (OG&E) under section 224 of the Communications Act of 1934, as amended (the Act), 47 U.S.C. § 224.¹ On December 18, 2025, the Enforcement Bureau’s Market Disputes Resolution Division issued a notice of formal complaint which, *inter alia*, set the schedule for the proceeding.² At the parties’ requests, we subsequently revised the case schedule on December 19,

¹ Pole Attachment Complaint – Unlawful Rates and Failure to Provide Data, Proceeding No. 25-347, Bureau ID No. EB-25-MD-003 (filed Dec. 16, 2025) (Complaint).

² Notice of Formal Complaint, Proceeding No. 25-347, Bureau ID No. EB-25-MD-003 (Dec. 18, 2025).

2025,³ and again on February 10, 2026.⁴ On March 23, 2026, we suspended the schedule⁵ to consider a then-pending Motion to Dismiss⁶ and Opposition.⁷ On April 28, 2026, we issued an order denying the Motion to Dismiss.⁸

Accordingly, we reinstate and revise the schedule as follows:

1) By **MAY 7, 2026**, OG&E must file and serve answers to any interrogatories in Cox's Second Set of Interrogatories⁹ to which no opposition or objection has been raised. *See* 47 CFR § 1.730(c).

2) The parties should meet in an effort to narrow facts and issues in dispute regarding discovery and to address other issues as follow in this paragraph. By **MAY 22, 2026**, the parties must file a single joint statement that addresses: (a) stipulated facts, disputed facts, and key legal issues; (b) all proposals agreed to and any disputes remaining regarding discovery; (c) settlement prospects (including mediation); and (d) proposals regarding briefing.

3) We will convene a status conference on **JUNE 8, 2026** at 9:30 AM (EDT). The conference will be held at the Federal Communications Commission, 45 L Street, NE, Washington, DC 20054. *See* 47 CFR § 1.733. We require counsel for each party to attend in-person, and we require each party to include in the conference a client representative with knowledge of the central facts and authority to settle the dispute (who may attend in-person or remotely). After clearing security at the L Street entrance, the parties should call Adam Suppes at 418-0324 or Ryan McDonald at 418-0156 to be escorted to the conference. The parties should be prepared to spend at least three hours in conference. Among other matters, staff will rule on any remaining discovery disputes and issue a briefing schedule during the conference, or shortly thereafter.

4) Discovery must be completed by **JUNE 22, 2026**.

Should either party have any questions, please advise staff and opposing counsel by email, and we will convene a conference call.

We issue this letter ruling under sections 4(i), 4(j), 208, and 224 of the Act, 47 U.S.C. §§ 154(i), 154(j), 208, 224, sections 1.3, 1.720-1.740, and 1.1401-1.1416 of the Commission's rules, 47 CFR §§ 1.3, 1.720-1.740, 1.1401-1.1416, and the authority delegated in sections 0.111 and 0.311 of the Commission's rules, 47 CFR §§ 0.111, 0.311.
