CC Docket No. 02-6

Dismissing for Failure to Comply with the Commission's Basic Filing Requirements³

¹ See *Streamlined Process for Resolving Requests for Review of Decisions by the Universal Service Administrative Company*, CC Docket Nos. 96-45 and 02-6, WC Docket Nos. 02-60, 06-122, 08-71, 10-90, 11-42, and 14-58, Public Notice, 29 FCC Rcd 11094 (WCB 2014). Sections 54.719(b), 54.1718(a)(1), and 54.2012(b)(2) of the Commission's rules provide that any person aggrieved by an action taken by a division of USAC, after first seeking review at USAC, may seek review from the Commission. Sections 54.719(c), 54.1718(a)(3), and 54.2012(a)(3) of the Commission's rules provide that parties seeking waivers of the Commission's rules shall seek review directly from the Commission. In this Public Notice, we have reclassified as Requests for Waiver any appeals seeking review of a USAC decision that appropriately should have requested a waiver of the Commission's rules. Similarly, we have reclassified as Requests for Review any appeals seeking a waiver of the Commission's rules but that are, in fact, seeking review of a USAC decision.

³ 47 CFR § 54.721 (setting forth general filing requirements for requests for review of decisions issued by USAC, including the requirement that the request for review include supporting documentation); see also *Wireline Competition Bureau Reminds Parties of Requirements for Request for Review of Decisions by the Universal Service Administrative Company*, CC Docket Nos. 96-45, 02-6, WC Docket Nos. 02-60, 06-122, 10-90, 11-42, 13-184, 14-58, Public Notice, 29 FCC Rcd 13874 (WCB 2014) (reminding parties submitting appeals to the Bureau of the general filing requirements contained in the Commission's rules which, along with a proper caption and reference to the applicable docket number, require (1) a statement setting forth the party's interest in the matter presented for review; (2) a full statement of relevant, material facts with supporting affidavits and documentation; (3) the question

presented for review, with reference, where appropriate, to the relevant Commission rule, order or statutory provision; and (4) a statement of the relief sought and the relevant statutory or regulatory provision pursuant to which such relief is sought); *Universal Service Contribution Methodology; Request for Review by Alternative Phone, Inc. and Request for Waiver*, WC Docket No. 06-122, Order, 26 FCC Rcd 6079 (WCB 2011) (*Alternative Phone, Inc. Order*) (dismissing without prejudice a request for review that failed to meet the requirements of section 54.721 of the Commission’s rules).

⁴ See, e.g., *Requests for Review and/or Requests for Waiver of the Decisions of the Universal Service Administrator by Al-Noor High School et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 27 FCC Rcd 8223, 8224, para. 2 (WCB 2012) (*Al-Noor High School Order*) (dismissing as moot requests for review where USAC had taken the action the petitioner requested).

⁵ See, e.g., *Requests for Waiver and Review of Decisions of the Universal Service Administrator by Allan Shivers Library et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 29 FCC Rcd 10356, 10357, para. 2 (WCB 2014) (*Allan Shivers Library Order*) (dismissing petitions for reconsideration that fail to identify any material error, omission, or reason warranting reconsideration, and rely on arguments that have been fully considered and rejected by the Bureau within the same proceeding).

In denying Bronx Preparatory Charter School’s waiver seeking a second invoice filing deadline extension, the Commission relied on the *Ada School District Order* as precedent. See *Requests for Waiver of Decisions of the Universal Service Administrator by Ada School District et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 31 FCC Rcd 3834 (WCB 2016) (*Ada School District Order*). On reconsideration, Bronx Preparatory Charter School argues that the *Ada School District Order* is not relevant to its situation because that order applies to entities that failed to seek an extension before the invoice filing deadline. Bronx Preparatory Charter School, on the other hand, had timely applied for and received a one-time 120-day invoice deadline extension and was now seeking a second invoice filing extension. We find, however, that the *Ada School District Order* is applicable because it reiterates the Commission’s holding that second invoice filing deadline extensions are prohibited. See *Ada School District Order*, 31 FCC Rcd at 3935, para. 3 (noting that the “Commission prohibit[s] USAC from granting any other invoicing deadline extensions” other than the initial one-time 120-day invoice deadline extension, quoting *Modernizing the E-rate Program for Schools and Libraries*, WC Docket No. 13-184, Order and Further Notice of Proposed Rulemaking, 29 FCC Rcd 8870, 8966, para. 240 (2014) (*E-rate Modernization Order*)). As a result, Bronx Preparatory Charter School is barred from seeking a second extension invoice filing extension, no matter the circumstances. We therefore reaffirm our denial of Bronx Preparatory Charter School’s waiver and dismiss its petition.

⁶ See, e.g., *Allan Shivers Library Order*, 29 FCC Rcd at 10357, para. 2 (dismissing petitions for reconsideration that fail to identify any material error, omission, or reason warranting reconsideration, and rely on arguments that have been fully considered and rejected by the Bureau within the same proceeding).

In their second petitions for reconsideration, the petitioners now claim that the Bureau never intended for the 60-day appeal-filing requirement to apply to waiver requests of the FCC Form 471 application filing deadline, citing to the *Acorn Public Library Order*. See *Requests for Waiver and Review of Decisions of the Universal Service Administrator by Acorn Public Library District et al., Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 23 FCC Rcd 15474 (2008) (*Acorn Public Library Order*). They argue that because this Bureau order, which granted waivers of the FCC Form 471 application filing deadline to certain E-Rate applicants, did not mention the appeal-filing requirements found in section 54.720 of the Commission's rules, petitioners have unlimited time to file a waiver when the application filing deadline is missed. In support of this argument, they claim that two waiver requests granted in the order were late-filed yet still received waivers of the FCC Form 471 application filing deadline. Because the petitioners did not make this argument when they filed their waiver requests, nor did they raise it in their first petitions for reconsideration, we dismiss these petitions because they rely on an argument that was not raised previously. See 47 CFR § 1.106(b)(2), (c)(2) (stating that a petition for reconsideration will be entertained only if the petition relies on facts or arguments that have changed or were unknown to the petitioner when it previously filed at the Commission, unless it is required in the public interest). As an alternative and independent basis for rejecting these petitions, we also deny the petitions on the merits. While it is not clear from the record whether the two parties in the *Acorn Public Library Order* filed their waivers more than 60 days late, the order does not address this issue. The *Acorn Public Library Order* found that that special circumstances exist to justify granting a waiver of the FCC Form 471 application filing deadline where, for example, the form was filed within 14 days of the deadline, there was illness or death or there was circumstances beyond the applicant's control. There is no mention of section 54.720 of the Commission's rules in the order or how it applies to the timing of FCC Form 471 application filing deadline waivers. It should be noted that the Bureau consistently enforces the requirement of section 54.720 in all circumstances, including parties seeking waivers of the FCC Form 471 application filing deadline. For these reasons, we dismiss these petitions for reconsideration.

⁸ See *Petitions for Reconsideration by Little Falls Township School District et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order on Reconsideration, 38 FCC Rcd 1100, 1104, para. 10 (WCB 2023) (*Little Falls Township Order*) (dismissing without prejudice appeals that are filed with the Commission before being reviewed at USAC and waiving the 60-day appeal filing deadline to allow the party to refile its appeal at USAC and have it considered on the merits).

Parties seeking review of USAC decisions must first file an appeal with USAC. See 47 CFR § 54.719(a). Because the petitioners filed their appeals with the Commission first, we now provide the petitioners 60 days from the release date of this Public Notice to refile their appeals at USAC. Pursuant to the *Little Falls Township Order*, we also waive the 60-day appeal filing deadline, 47 CFR § 54.720(a), to allow the appeals to be considered on the merits by USAC without being considered late. See *Little Falls Township Order*, 38 FCC Rcd at 1104, para. 10. Appeals should be filed in the E-Rate Productivity Center portal, found here: [EPC](#). See also *infra* note 10.

⁹ See, e.g., *Requests for Review of the Decision of the Universal Service Administrator by Little Flower School; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 26 FCC Rcd 4991, para. 1 (WCB 2011) (*Little Flower School Order*) (remanding underlying application to USAC for a determination on the merits when USAC did not accept new discount calculation information on appeal). We remand this application to USAC and direct USAC to complete its review of the application and issue a funding decision based on a complete review and analysis. See also *infra* note 10.

¹⁰ We remand these applications to USAC and direct USAC to complete its review of the applications and issue a funding decision based on a complete review and analysis, no later than 90 calendar days from the release date of this Public Notice. In remanding these applications to USAC, we make no finding as to the ultimate eligibility of the equipment/services or the petitioners’ applications. We also waive sections 54.507(d) and 54.514(a) of the Commission’s rules and direct USAC to waive any procedural deadline that might be necessary to effectuate our ruling. See 47 CFR § 54.507(d) (requiring non-recurring services to be implemented by September 30 following the close of the funding year); 47 CFR § 54.514(a) (codifying the invoice filing deadline rule).

¹⁸ We find that Jefferson Elementary School District and San Joaquin County Office of Education’s appeals are a request for an operational service provider identification number (SPIN) change due to a delayed transition of service. We remand the San Joaquin County Office of Education’s appeal to USAC to determine whether the request was made prior to the last day to submit an invoice. See, e.g., *Requests for Review and/or Waiver of Decisions of the Universal Service Administrator by Academy of Detroit West, et al; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 35 FCC Rcd 1960, 1961-63, paras. 5-8 (WCB 2020) (*Academy of Detroit West Order*) (finding that when the new provider is delayed in being able to provide service, the applicant may receive support for service during the transition from the incumbent provider, but may not increase the funding amount of the FRN); see also, e.g., *Request for Review of Decisions of the Universal Service Administrator by Bay Shore Union Free School District, et al, Schools and Libraries Universal Service Support Mechanism, et al.*, CC Docket No. 02-6, Order, 23 FCC Rcd 15537, 15539, para. 5 (WCB 2008) (*Bay Shore Union Free School Order*) (requiring operational SPIN change requests to be postmarked or received no later than the last date to submit an invoice).

²⁶ See, e.g., *Requests for Review of a Decision of the Universal Service Administrator by West Branch-Rose City Area School; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 23 FCC Rcd 15470, 15472, para. 5 (WCB 2012) (*West Branch-Rose City Area School Order*) (remanding an application back to USAC when it appears a funding discrepancy could be resolved through USAC's review of the documentation submitted by the petitioner as part of its appeal); *Request for Waiver and Review of the Decisions of the Universal Service Administrator by Achieve Career Preparatory Academy et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 26 FCC Rcd 10254, 10255, n.12 (WCB 2011) (*Achieve Career Prep Academy Order*) (permitting submission of correction when applicant submitted its corrected FCC Form 471 application after the applicable deadline); *Ann Arbor Public Schools Order*, 25 FCC Rcd at 17321, n.23 (permitting correction when applicant mistakenly provided the wrong documentation concerning a purchase). In the present case, USAC failed to reconcile the discrepancies between the yearly contract price and the 36-month term of service on the participant's Cybersecurity Pilot FCC Form 471. Given these inconsistencies and the additional documentation submitted on appeal by the participant and service provider, the error could have been avoided had USAC made an inquiry to the participant regarding this mismatch. We grant a waiver and direct USAC to issue the corrected FCDL consistent with the three-year contract amount. Consistent with the Commission's decision to adopt the similar appeal and waiver rules that govern all of the Universal Service Fund programs, including the E-Rate program, and to leverage existing E-Rate processes and forms in the Cybersecurity Pilot Program, we rely on E-Rate program precedent to resolve these waiver requests of the Cybersecurity Pilot Program rules.

(Continued from previous page) _____

²⁷ 47 CFR § 54.2012(b)(2) (requiring parties seeking a waiver of the Commission’s rules to file the request for review or waiver within 30 days). We find that the Petitioners did not file a request for waiver within 30 days of the deadline, September 15, 2025, and did not demonstrate special circumstances justifying a waiver of the Commission’s rules. See 47 CFR § 1.3; *NetworkIP, LLC v. FCC*, 548 F.3d 116, 125-28 (D.C. Cir. 2008) (*NetworkIP LLC*); *Northeast Cellular Telephone Co. v. FCC*, 897 F.2d 1164, 1166 (D.C. Cir. 1990) (*Northeast Cellular Telephone*) (finding that a waiver of the Commission’s rules is only appropriate if both (i) special circumstances warrant a deviation from the general rule, and (ii) such deviation will serve the public interest.). On the merits, we also find that Petitioners were provided 181 days (i.e., 6 months) to complete and submit their Cybersecurity Pilot FCC Form 471 application and we do not find the Petitioners demonstrated special circumstances required to waive or extend this deadline.

²⁸ See, e.g., *Agra Public Schools Order*, 25 FCC Rcd at 5688, para. 6; *Bound Brook School District Order*, 29 FCC Rcd at 5823, para. 1 (denying requests for review and/or waiver on the grounds that the petitioners failed to: (1) submit their appeals either to the Commission or to USAC within 60 days or failed to submit their waiver requests to the Commission within 60 days as required by the Commission’s rules; and (2) did not demonstrate special circumstances required for the Commission to waive the rule). We note that the Commission adopted a shortened waiver and appeal timeframe of 30 days in the Emergency Connectivity Fund Program due to the short-term, emergency nature of the program. See 47 CFR § 54.1718; *Establishing Emergency Connectivity Fund to Close the Homework Gap*, WC Docket No. 21-93, Report and Order, 36 FCC Rcd 8696, 8746, para. 107 (2021) (*Emergency Connectivity Fund Report and Order*).
