**AU Docket No. 25-117**

On June 26, 2026, the Office of Economics and Analytics and the Wireless Telecommunications Bureau released a Public Notice, DA 26-633, that announced the results of Auction 113, specified deadlines for payments and the filing of long-form applications, and gave details for other post-auction procedures. To be consistent with the deadlines established in paragraphs 5 and 9 through 13 of that Public Notice, and to be consistent with the first page of the attachment, the headings for columns six and eight on the second page of Attachment B to the Public Notice are corrected. This Erratum replaces Attachment B in its entirety. A corrected version of Attachment B to the Public Notice is attached.
