OFFICE OF INTERNATIONAL AFFAIRS SEEKS COMMENT ON RECOMMENDATIONS APPROVED BY THE WORLD RADIOCOMMUNICATION CONFERENCE ADVISORY COMMITTEE

OIA Docket No. 24-30

On August 10, 2026, the Office of International Affairs released a Public Notice, DA 26-835, in the above captioned proceeding. This Erratum amends the original released document as indicated below:

This revised Public Notice contains tracked-changes to facilitate comments on the draft recommendations provided in Attachment A and comments on National Telecommunications and Information Administration (NTIA) draft proposals in Attachment B. The comments provided by interested parties will assist the FCC in its upcoming consultations with the U.S. Department of State and NTIA in the development of U.S. positions for WRC-27. The proposed recommendations that are attached to this Public Notice may evolve in the course of interagency discussions as we approach WRC-27 and, therefore, do not constitute any final U.S. Government positions on any issue.
