0000302708	Minor Modification	FL	WRSL-LP	788526	Main	96.3	BERRIEN SPRINGS, MI	Justified Walk Ministries	09/03/2026	Dismissed
From:					To:					
Comment #1 Dismissed 9/3/2026 via Public Notice for the following reason: Section 73.807 violation with respect to the 2nd-adjacent channel license facilities of stations WHPD(FM), Dowagiac, MI (BLMH-19911112KA) and WNDV-FM, South Bend, IN (BLH-19980727KB). Applicant acknowledges these short-spacings and requests second adjacent channel waivers. In the waiver requests, the applicant shows that the interference extends approximately 450 meters from the transmitter site and indicates that the interference area, "...will not overlap any occupied buildings other than the studio building and associated unused barns...." However, the interference area shown in the waiver request includes a stretch of a major highway (Route 31). This potentially impacts hundreds of listeners driving on that highway every day. Therefore, the waiver request fails to demonstrate a complete lack of interference. Please also note that any proposal at the coordinates and height specified in the application must request a minimum effective radiated power of 50 watts, in order to comply with the minimum facilities rule (Section 73.811(b)).
