ERRATUM

Released: February 26, 1996

By the Chief, Telecommunications Division:

1. The following subparagraphs should be added to paragraph 8 of the above-captioned Memorandum Opinion, Order, Authorization and Certificate, released November 29, 1995, DA-95-2365:

i. lease from COMSAT and operate 440 64-kbps satellite circuits between an appropriately licensed U.S. earth station and an INTELSAT satellite over the Atlantic Ocean, connecting with similar circuits between the satellite and an earth station in Colombia, furnished by NACS' correspondent, for provision of switched voice and data and private line services between the United States and Colombia;

j. lease from PanAmSat and operate 30 64-kbps circuits for provision of private line services not interconnected with the public switched network between the United States and Colombia; and

k. acquire on an IRU basis a one-half interest in and operate 440 64-kbps circuits in the AMERICAS-1 Cable System, for provision of switched voice and data and private line services between the United States and Colombia.

2. All terms and conditions of the above-captioned order remain the same.
