**MEMORANDUM OPINION AND ORDER**

**Adopted: December 5, 2001**

**Released: December 19, 2001**

By the Commission:

1. The Commission has before it an Application for Review filed by Rocky Mountain Media Watch (Media Watch) and oppositions thereto filed by the licensees of the above-captioned television stations in Denver, Colorado. These pleadings relate to the April 30, 1998 letter decision by the Chief, Video Services Division, Mass Media Bureau, which denied Media Watch's petitions to deny the license renewal applications of the four Denver stations, and granted those applications.<sup>1</sup>

2. We have reviewed the Division's disposition of the petitions to deny and find that its ruling was correct. Moreover, Media Watch has presented no material information which would provide a basis for reversing the Division's decision.<sup>2</sup>

3. Accordingly, IT IS ORDERED, That the Application for Review of Rocky Mountain Media Watch IS DENIED.

FEDERAL COMMUNICATIONS COMMISSION

Magalie Roman Salas  
Secretary

<sup>1</sup> *Dr. Paul Klite*, 12 C.R. 79 (MMB 1998).

<sup>2</sup> To the extent that Media Watch relies upon facts relating to events which occurred after April 30, 1998, these facts should have been directed to the Division in a petition for reconsideration. See 47 C.F.R. § 1.115(c).
