

**CONCURRING STATEMENT OF  
COMMISSIONER BRENDAN CARR**

Re: *Application of Verizon Communications Inc. and América Móvil, S.A.B. de C.V. for Consent to Transfer Control of International Section 214 Authorization*, Memorandum Opinion and Order, GN Docket No. 21-112

Approving this transaction promotes the public interest, and therefore I support the decision. So I want to commend Chairwoman Rosenworcel and her team for their work on this proceeding. As I have noted previously, I have concerns with the standards and frameworks that the agency applies in transaction reviews.<sup>1</sup> Rather than relitigating those concerns here, I am voting to concur in the outcome of today's decision.
