

**STATEMENT OF
ACTING CHAIRWOMAN JESSICA ROSENWORCEL**

Re: *Assessment and Collection of Regulatory Fees for Fiscal Year 2021*, MD Docket No. 21-190,
Report and Order and Notice of Proposed Rulemaking.

Each year, the Commission is required by Congress to assess regulatory fees in an amount equal to its annual appropriation. This year, we not only fulfill this statutory requirement, we also look forward and seek comment on how we might modernize our regulatory fee policies. Just as importantly, we ask how if changes are made, they can be done in an administrable way. I appreciate the interest and input from my colleagues in this effort and am grateful to the agency staff who worked on this effort. I look forward to the record that develops.
