

**STATEMENT OF
COMMISSIONER OLIVIA TRUSTY**

Re: *Delete, Delete, Delete*, Direct Final Rule, GN Docket No. 25-133 (September 30, 2025).

With this item, the Commission advances its ongoing effort to identify and eliminate rules that are obsolete, unused, or otherwise outdated and unnecessary. I thank the Consumer and Governmental Affairs Bureau and the Wireline Competition Bureau for their excellent work on this item, and I look forward to future Commission actions that build on this important agency-wide initiative.
